

Andy's slot together card sculpture project.

You will need the following equipment and materials:

1 x pair of scissors.

1 x HB or softer pencil.

Recycled card such as cereal packaging and single ply corrugated card.

Step 1: Using your scissors, safely cut out the shapes from a selected template.

Step 2: Draw around the template shapes, onto a piece of card using your pencil.

Step 3: Cut around the shapes on the card.

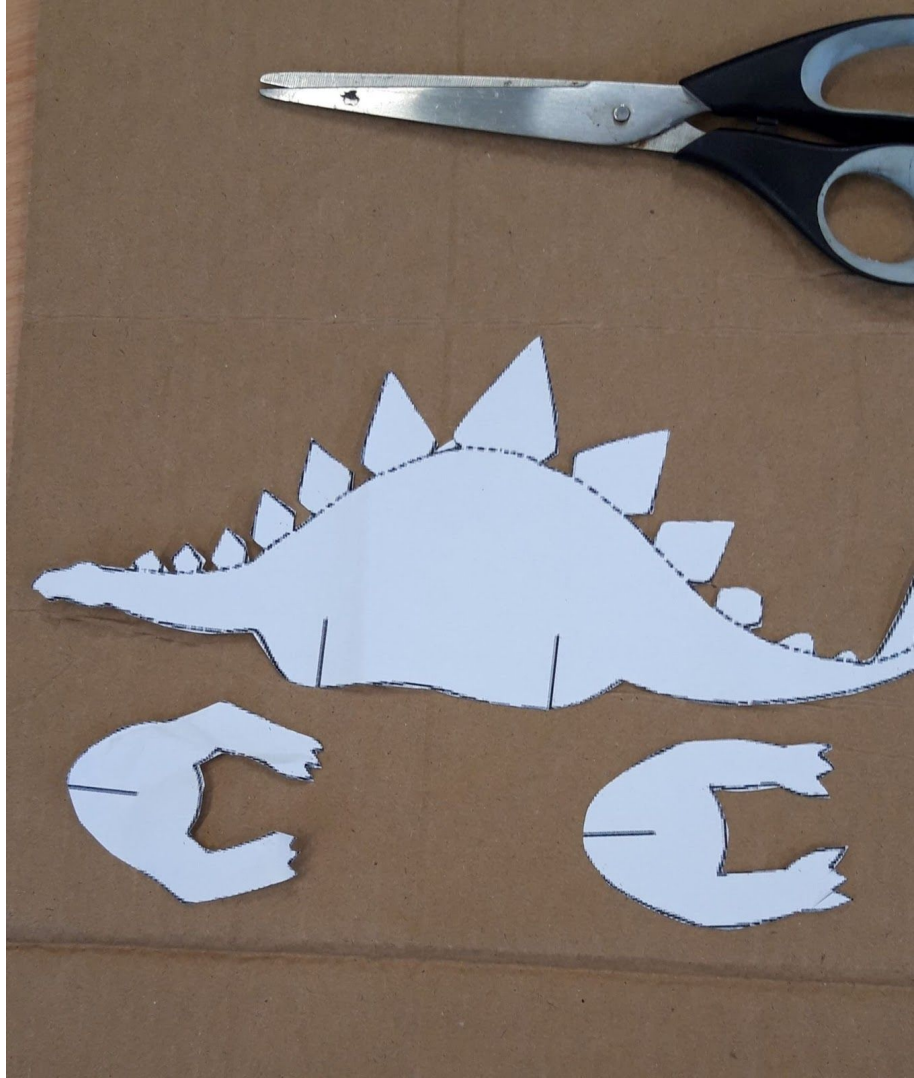

Step 4: Slot the pieces together and assemble your sculpture

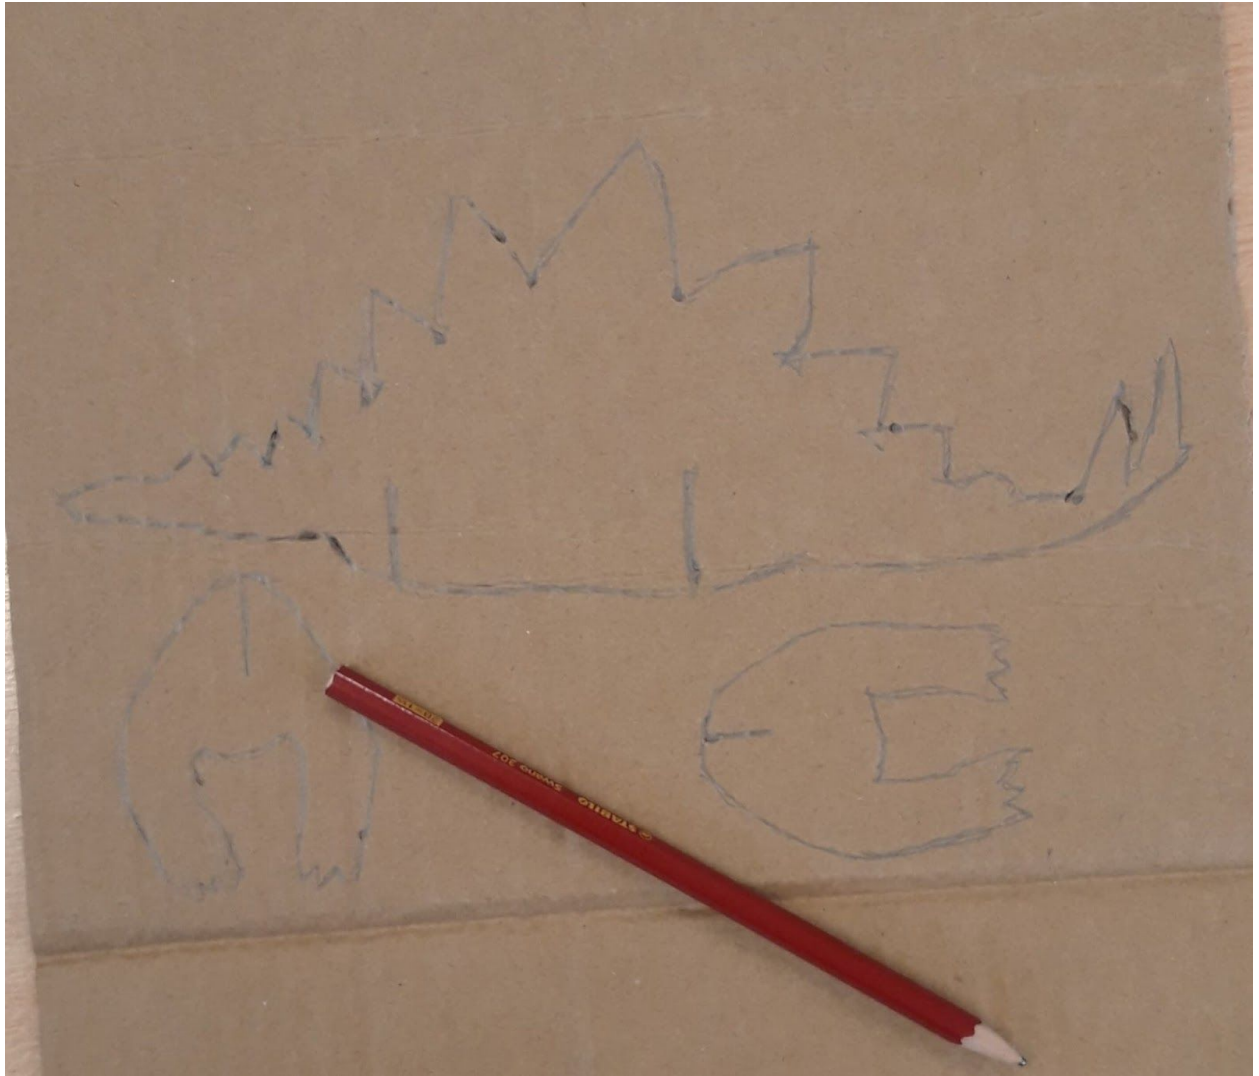

Stretch and challenge:

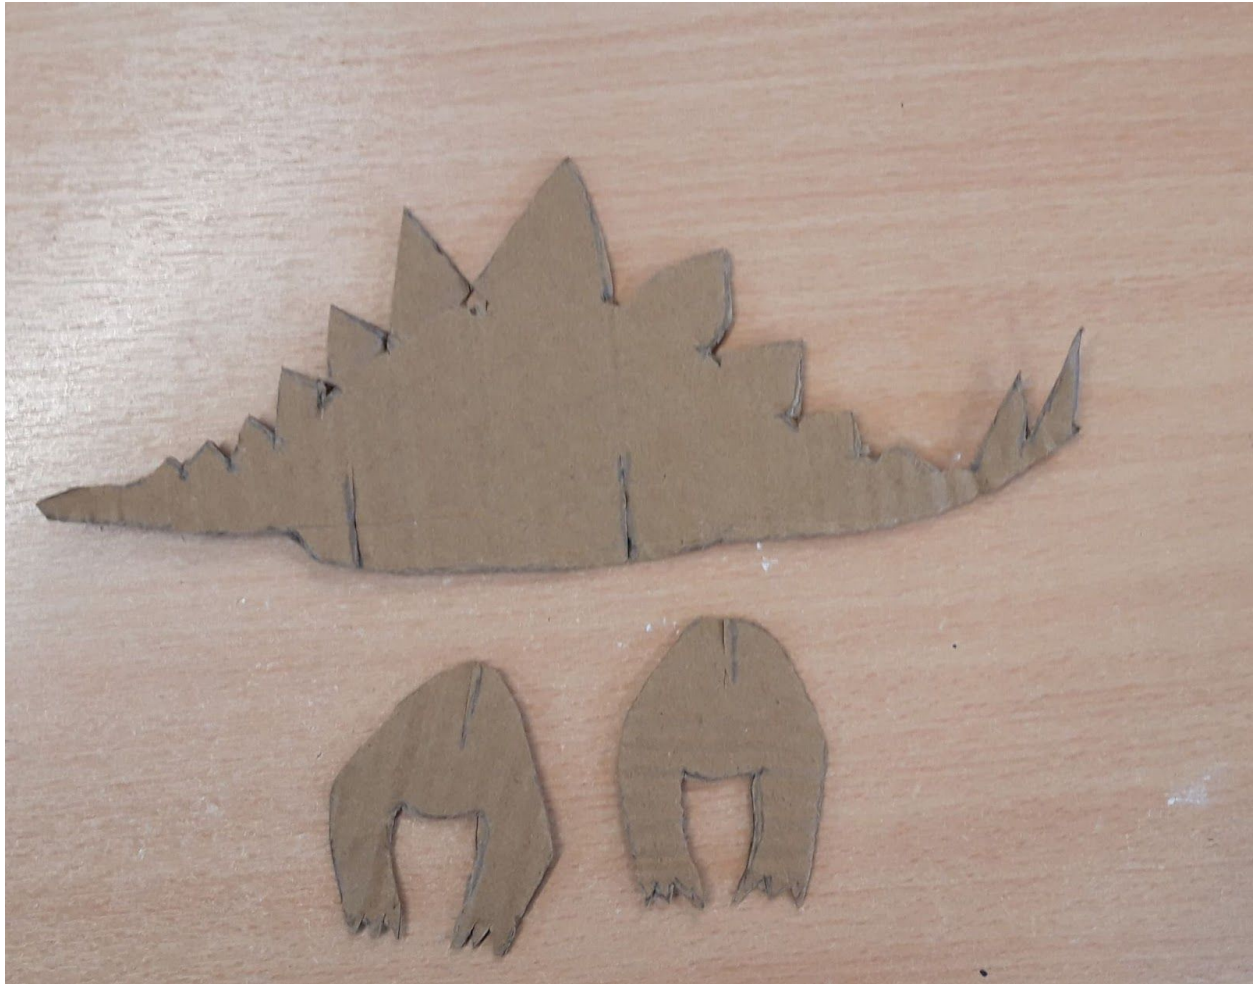

You can paint your sculpture with water based paints, if you wish and share your images with us at:
